DEXTROVERSE

Describe the part. We make it.

3D-printed in PLA, PETG and more, delivered across the UAE. You see the price before you order.

Moon lamp, printed by us.

dextroverse.io

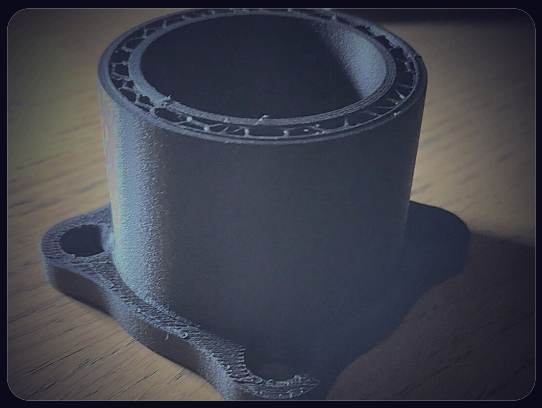

Surface and light.

Art piece, printed by us.

Figure, printed by us.

Flange, printed by us.

Parts of every kind, for the home, for hobbies and for the trade.

Home

Covers, holders, spares and gifts.

Hobby

Figures, models, lamps and display pieces.

Trade

Spares, fixtures and one-off parts for workshops.

A material for every part.

Everyday materials

PLA	Crisp detail. Sharp edges and fine surface for parts that live indoors.
PETG	Tough. A good choice for parts that are handled and used often.
ABS	Strong and impact-resistant.
ASA	Made for sun and weather.
TPU	Flexible and springy.

More looks

Silk or shimmer PLA
Glow-in-the-dark PLA
Wood- or stone-filled PLA

Engineering

Nylon (PA)
Carbon-fibre filled

Need something else? Ask, and we tell you straight away whether our printers can make it.

Finished to order.

— Hanger, printed by us.

Finishes

Support removal and clean-up	Sanding
Painting or colour finish	Vapour or resin smoothing

Made on our printers.

Our printers

Original Prusa XL
Bambu Lab P1S
Original Prusa MK3S

Size

Up to about 25 × 21 × 21 cm.

Bigger parts are quoted on request.

Next

Bigger parts, made with partner workshops.

A good fit

Parts for the home, hobbies and workshops.

Tell us where the part lives and what it does, and we choose the material and tell you straight away whether it suits. Ask first if it touches food, carries heavy weight or needs metal.

See the price before you order.

1 Describe the part.

Tell us in your own words, or send a request at app.dextroverse.io/request. We read it back to you to confirm.

2 See the price.

The price and the ready date come before anything is printed.

3 Approve it.

One reply from you, and the part goes to print.

4 Printed and delivered.

Delivered across the UAE, ready in 1-2 days. If a part differs from the sizes we quoted from, we reprint it once, free.
